„Not again. It's awful and annoying, and I hate the shit."

Paul stared out of the window of his bedroom.

"What's up?" John asked while he was busy in restringing an acoustic guitar. "Will the world come to an end? We should quickly compose a new song before we gonna get burnt to ashes by the exploding sun."

"Funny, asshole. Two chicks are climbing up the wall around my property."

"Pretty?"

"Yeah."

"You wanna fuck them?"

"NO! They look too young," Paul cried out. "I'm no fool."

John grinned.

"Very well. Now come over, babe, 'cause I wanna fuck YOU."
